Great article on Hayden Panettiere, especially the pickle part. I moved to California from New Jersey in 1987. Nothing feels like New York and home more than a Bubbies pickle with a great sandwich. Glad to see someone else enjoys them. My friends could not understand my concern over a good pickle. At 70, I know what I like.

When I have a great book, I love it. I'm reading **Eat, Pray, Love**. I love fantasy books too”

“ I like to have friends by the pool playing games. I play games I'm good at! Scattergories, **Catch Phrase** and Taboo”

Panettiere says she likes being in a relationship. "Being in love is one of the best feelings in the world."
